Course Summary

Course Description	The course is intended for 4th year students who have completed most of their coursework and is intended to provide a final capstone on your previous coursework. The course is also intended to help you consolidate and integrate what you have previously learned, and apply this knowledge to a project that you will design. This “capstone design” course is about helping you design the appropriate capstone for your IBA studies especially IB. Ideally, your capstone project will help you in your transition from college to the next stage of your career.
Description Related Courses	All of the IBA courses
Course Goals	To design an appropriate self-capstone to be prepared for the next stage after graduation

Projected Results	Student will design a self-capstone regarding IB and OB before graduation.
