Course Summary

Course Description	<p>"Advanced Korean" is a required course designed to deepen the Korean language proficiency needed for academic and professional fields. It targets learners who have achieved TOPIK Level 4 or an equivalent level of Korean proficiency, and it comprehensively covers five areas: vocabulary/grammar, speaking, reading, listening, and writing.</p> <p>The course aims to help students achieve advanced Korean language skills essential for university life and academic pursuits. Through a combination of instructor-led lectures and student-driven activities—including advanced vocabulary/grammar exercises, presentations, discussions, and writing tasks—it enhances understanding of academic and specialized discourse and improves practical application skills. By the end of the course, learners will have a deep understanding of Korean society and culture and the ability to use the language freely in various formal and informal contexts.</p>

Course Goals	This course aims to cultivate innovative, dedicated, and proactive individuals by enhancing students' problem-solving skills, specialized knowledge, global citizenship, collaboration, self-direction, and communication abilities. Through this process, students will be able to critically analyze various texts and effectively convey specialized knowledge in their field. They will also gain a deep understanding of Korean society and culture, while collaborating and communicating with students from around the world to foster international competence. Ultimately, they will develop the skills to independently research topics of interest and express their opinions logically.
Projected Results	By the end of this course, students will be able to: 1. Understand and express Korean in academic and professional fields. 2. Develop comprehensive communication skills. 3. Gain a global perspective and experience through interaction with a diverse range of students.
