Course Summary

Course Description	At this course, students will be learning the basics of Hungarian language and get an insight into Hungarians' daily lives as well as the Hungarian modern culture. Every class consists of two sections: one presents Hungarian culture and the other is for learning the language. Language learning starts from the Hungarian alphabet and focuses on communication, so that by the end of the course students will be able to have basic conversational skills in Hungarian. The cultural sections will be explained in English. Similarities and differences between Hungarian and Korean language and culture will be highlighted during the course.
