Course Summary

Course Description	The Advanced Korean Listening Comprehension ¹⁾ aims to develop the advanced level of Korean language skills necessary to carry out successful studies in universities. To this end, they go beyond reading and understanding academic texts in Korean to establish their opinions and arguments through the process of analyzing and criticizing them, and based on this, they link them to practice that can be expressed in words and writing. It aims to cultivate advanced Korean language skills for academic performance in universities through academic activities such as taking lectures, presentations, discussions, and writing reports.
Description Related Courses	This lecture is organically linked to "reading Korean for foreigners," "writing Korean for foreigners," "listening to Korean for foreigners," and "speaking Korean for foreigners" to improve Korean language skills.

Course Goals	To improve university academic performance, Korean language skills are cultivated and academic activities are conducted accordingly.
Projected Results	For the academic purposes of foreign students, they learn university lectures and academic activities through an integrated process of strategic reading and writing, listening and speaking suitable for Korean, and cultivate the university's academic performance ability.
